

Screen Activity Report for Parents

What is it?

Parents can submit a request for a weekly email report with a summary of their child's FCPS device Internet activity.

How can parents get access?

Parents can simply submit a request on the Tech Support for Families page (<https://www.fcps.edu/return-school/technology-support-families>).

What will parents need to provide?

Before submitting a request, parents/guardians will need the enrolling parent email address on-file in our Student Information System, as well as the Student ID for their child.

How can parents learn more about what is available?

For more information about the report and additional features available to parents, please visit the Lightspeed Parent Report information page (<https://www.fcps.edu/resources/technology/lightspeed-parent-reports>).
